This is a decision on the renewed petition to make special originally filed February 25, 2003 and supplemented with a signed signature page on March 17, 2003. The petitions have been filed under 37 C.F.R. § 102(d) and MPEP § 708.02 (VII): Accelerated Examination. The first petition was dismissed in Paper No. 4 mailed December 31, 2002.

The petition is now **GRANTED**.

The original petition was dismissed because the petitioner failed to provide a detailed discussion of the references as required and failed to adequately explain how the claimed subject matter was patentable over the references. Petitioner's supplemental discussion of the references is now considered to meet the standard set forth in MPEP § 708.02, Section VIII, subpart E.

The application is being forwarded to the appropriate art unit for processing and examination in accordance with the special procedures set forth in MPEP § 708.02, Section VIII. Telephone inquiries regarding this decision should be directed to the undersigned at 703-306-4160.
